

COACHING

TRAINING

VS

LEARN

PRACTICE

For the people

For the dogs

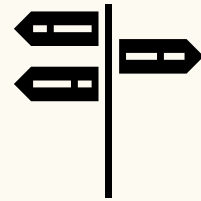

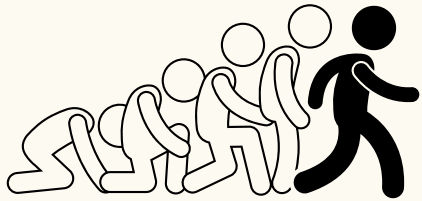

Exploration

Guidance

Gain the ability to work independently while you learn to explore the world around you with your pet.

The goal is to guide your dog through new situations or hurdles that the real world provides

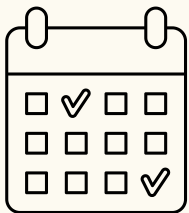

Flexible Schedule

Fixed Scheduling

We will work with you to schedule a time that works for you and can work with a flexible schedule

We will work together to create a consistent schedule for your pups' best success. We can even do the sessions while you are at work.

*For a flexible schedule, look into Real-World Packages.
